Brother Earth

Working with you for a better environment

At Brother, our green initiative is simple. We strive to take responsibility, act respectfully and try to make a positive difference to help build a society where sustainable development can be achieved. We call this approach Brother Earth.

COMPATIBLE WITH WINDOWS · Works with Apple AirPrint · mopria · Wi Fi CERTIFIED · Wi-Fi Protected SETUP · ENERGY STAR · epeat SILVER · refresh

1 Based on one-sided printing. Change from default setting required.
2 From ready mode and standard tray.
3 BR-Script[3] is PostScript®3™ compatible.
4 Colour and monochrome scan speeds in accordance with ISO/IEC 17991 with all advanced features turned off, using letter-sized paper at 200/300 dpi.
5 Windows only.
6 Requires mail server support.
7 Requires an Internet connection and an account with desired service.
8 May require free download. Compatibility may vary by device and operating system. Requires connection to a wireless network.
9 Requires an Internet connection.
10 Using ITU-T Test Chart #1 with JBIG coding and standard resolution.
11 B&W only. PC Fax Receive not available for Mac users.
12 For the latest OS compatibility and to download drivers, visit support.brother.com. Printing or scanning via macOS requires the use of AirPrint. Mac printer drivers are not provided. Server 2012/2016/2019 network printing only.
13 Maximum capacity based on using 20 lb. paper.
14 Print speed may vary depending on size/type of paper used and paper source.
15 Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.
16 The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
17 Approximate toner cartridge yields in accordance with ISO/IEC 19752 (Letter/A4)
18 Approximately 15,000 pages based on 1 page per job (letter/A4 single-sided pages). The number of pages may be affected due to a variety of factors including but not limited to media type and media size.
