brother
at your side

The pinnacle of organization! The Brother P-touch PT-D610BT Label Maker prints high-resolution graphics for sharp barcodes and crisp logos.

Connected Label Maker with Bluetooth and Colour Display

- Connect via Bluetooth® or USB and create labels using the Brother P-touch Editor Software[1] or iPrint&Label app[1].
- Advanced connectivity allows multiple users to work with the same label maker from their own computer or smart device.
- A complete labelling solution that lets you design and print professional-looking custom labels anytime, anywhere.
- Prints on durable Brother TZe laminated label tapes up to 24 mm (~1”) wide, available in a variety of finishes and colours and ideal for various indoor or outdoor applications.
