## Product information

The hardened steel cutting rollers with a lifetime warranty can easily cope with staples and paper clips and guarantee durability.

The waste container can be easily removed and emptied.

The paper feed with overload protection reduces paper jams and sustains the high throughput of paper.

**Quiet operation**

The quiet operating mode minimises noise development in the workplace which is an important consideration for your staff.

**Blue Angel**

The document shredder has been awarded the Blue Angel certificate for its durable construction, low energy consumption and the use of environmentally friendly materials.

**Anti-paper jam function**

The paper feed with overload protection reduces paper jams and sustains the high throughput of paper.

**High level of user safety**

User safety is paramount.
A slight pressure on the safety element immediately stops the paper feed and prevents unintentional entry into the machine.

**Automatic start/stop**

The operation is very easy: the device starts automatically when fed paper and automatically stops after shredding is complete.
